Hi Nikia,

I have something I need to wrap up this morning, but will take a shot at incorporating additional information into this one-page briefing later today.

Thanks,

Lynn

Lynn,

We are well beyond what Dana has drafted, can you help describe where we are at with the review.

Hi all,

Andrew expressed to me that Deb Thomas would like a one page write up on what occurred regarding the Meconium study in Butte and our actions to review and inform the community of EPA's findings.

Dana has drafted a great start to this so please edit this and I will get this to Andrew and Deb by the end of the week. Thanks.

Subject: Draft

Chris,

Please see the attached. It is a rough draft of the meconium study and EPA events. Please let me know if this is close to what Betsey wants. I am sure I'm way off but here is my stab at it. Who I should include in revising and updating what I have here.

Thanks and have a great weekend.

Sincerely,

Dana
